WHY SPONSOR AND/OR PLAY?

By supporting the Quinlan ISD Education Foundation golf tournament, you are helping to support instructional enhancement initiatives for teachers and students with funding for projects and programs that meet the district's needs; however, they are beyond the district's budget. QISD is a property-poor district with approximately 75% of the student population qualifying for federal free and reduced lunch programs.

The mission of the Quinlan ISD Education Foundation, a community-based non-profit organization, is to generate and distribute resources to the Quinlan Independent School District to enrich, expand and maintain programs needed to meet the District's mission of excellence in education.
